

Carcinus maenas as a Global Invader and Threat to Shellfisheries

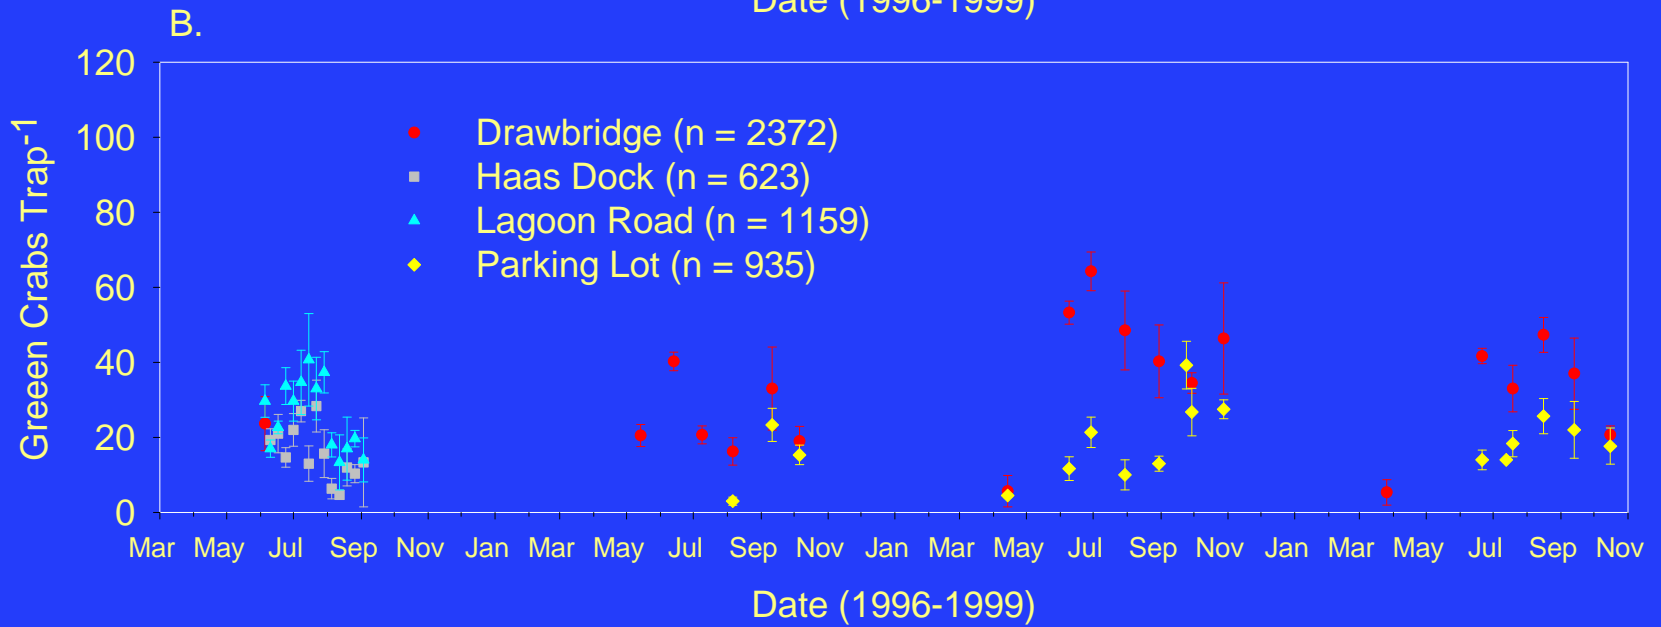

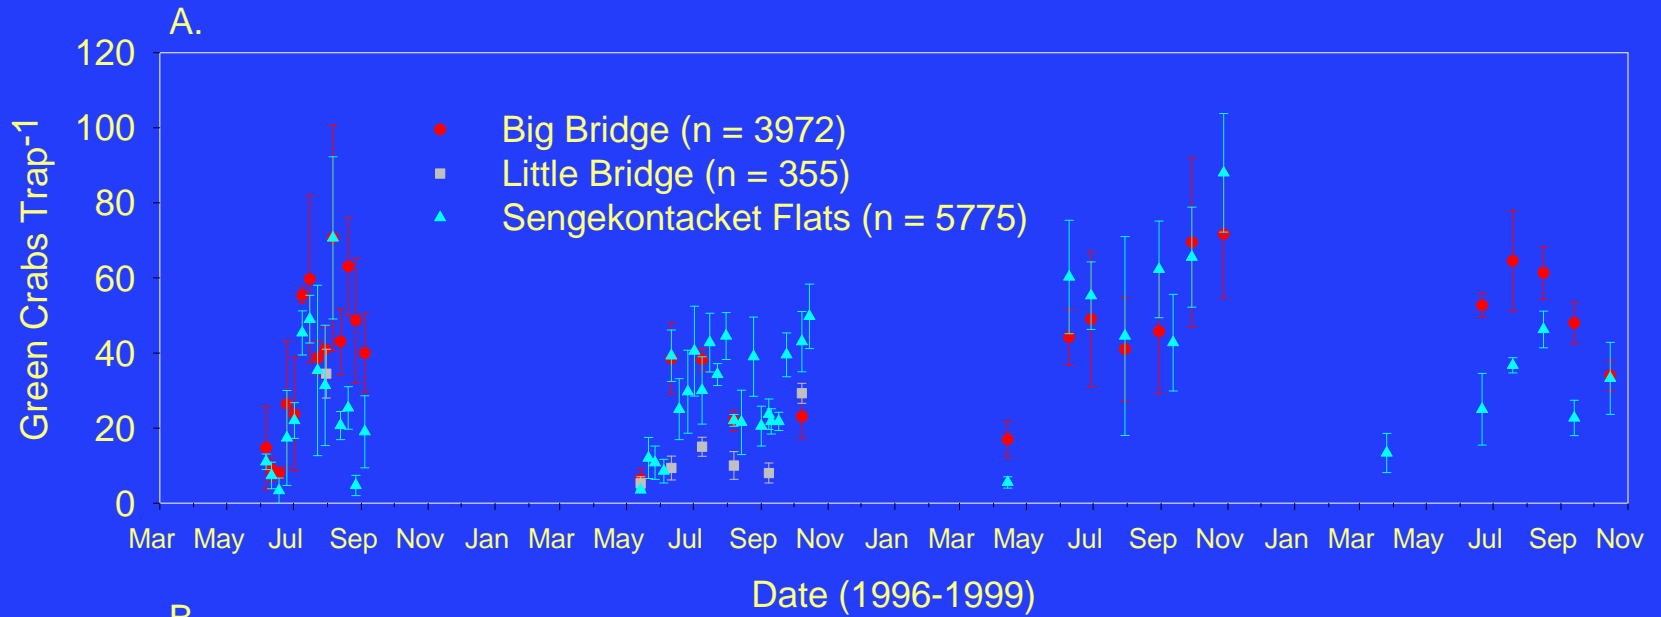

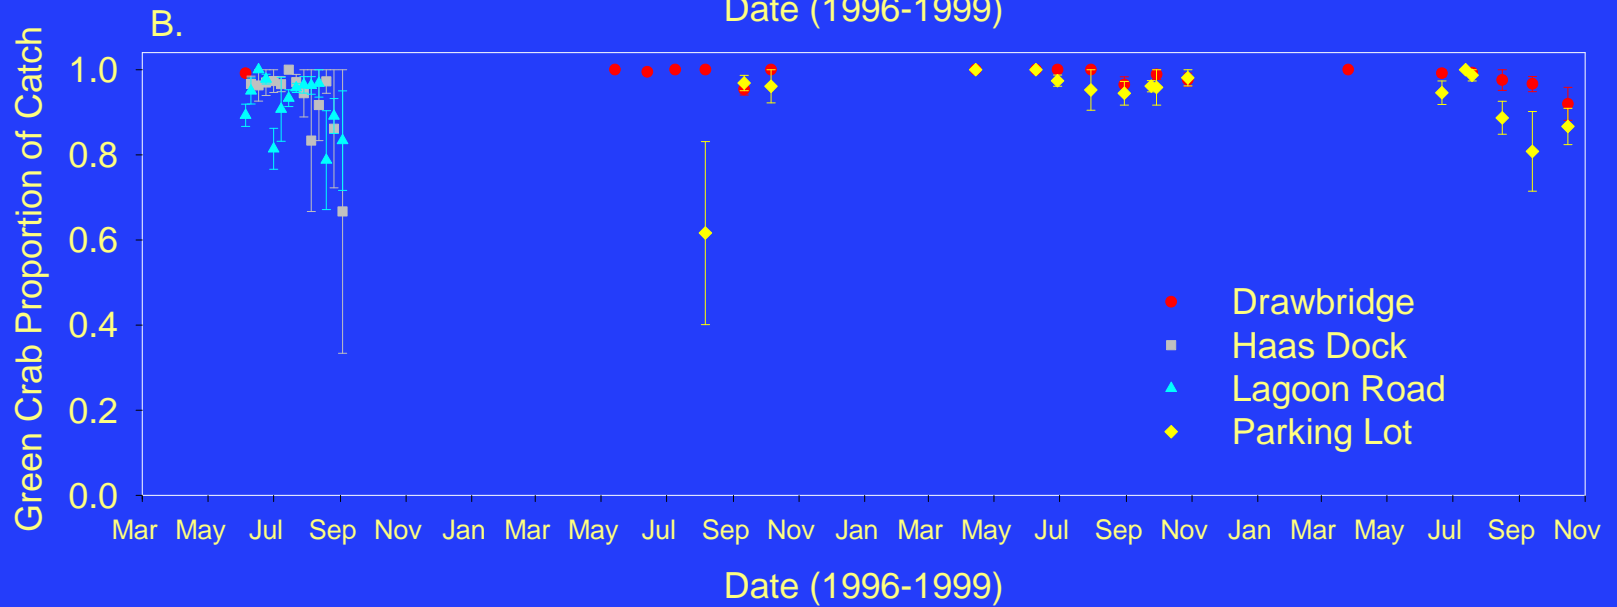

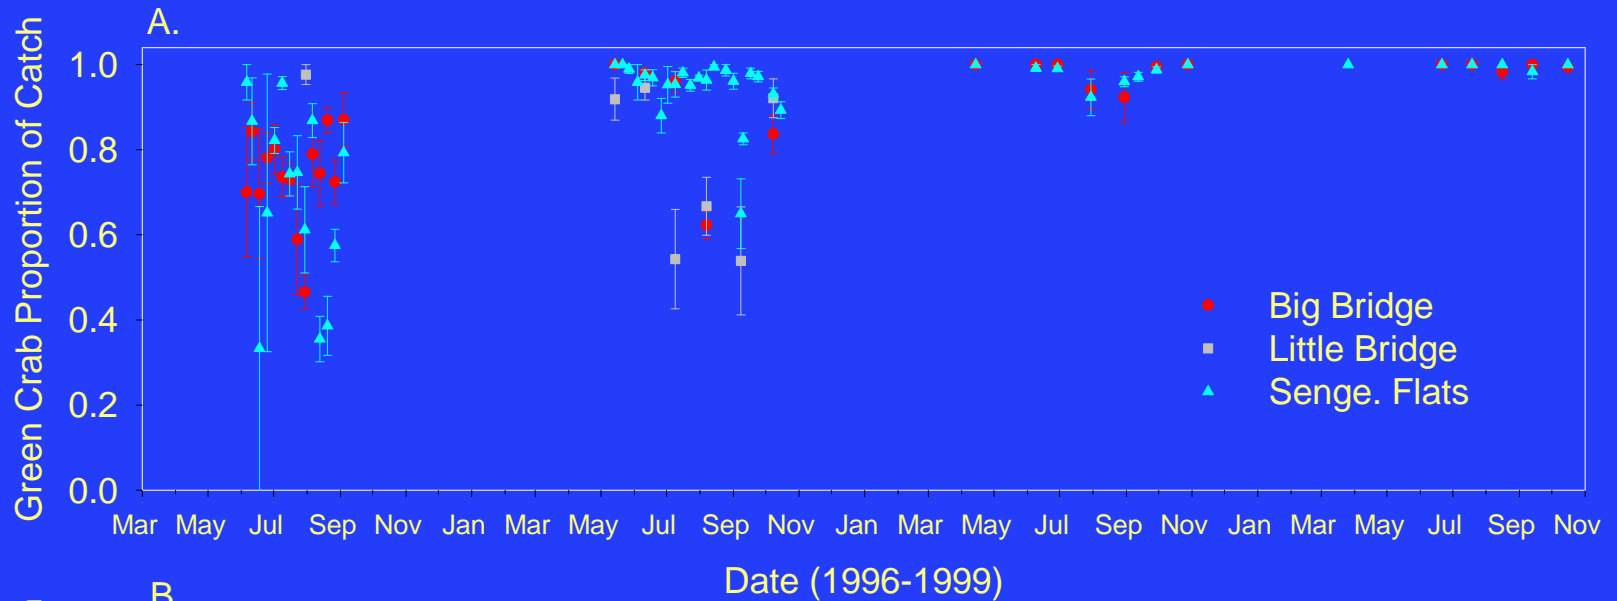

Collaborative *Carcinus* research

- **Ted Grosholz (UC Davis)**
- **Bill Walton (Mass. SG/SERC)**
- **Ron Thresher (CSIRO)**
- **Craig Proctor (CSIRO)**
- **Laura Rodriguez (UC Davis/SERC)**
- **Catherine deRivera (PSU/SERC)**

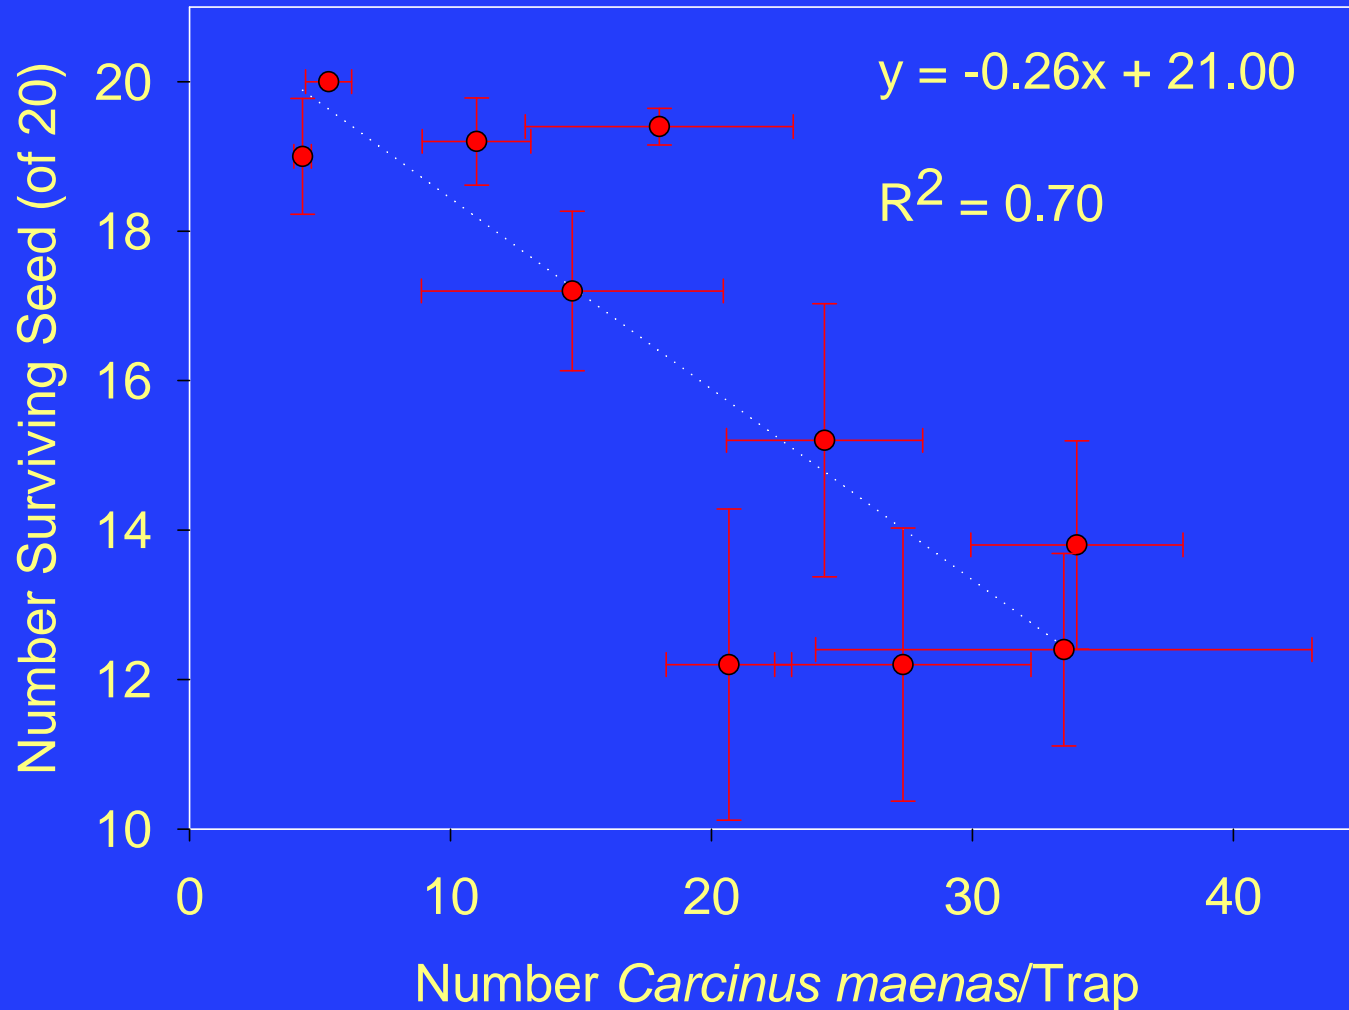

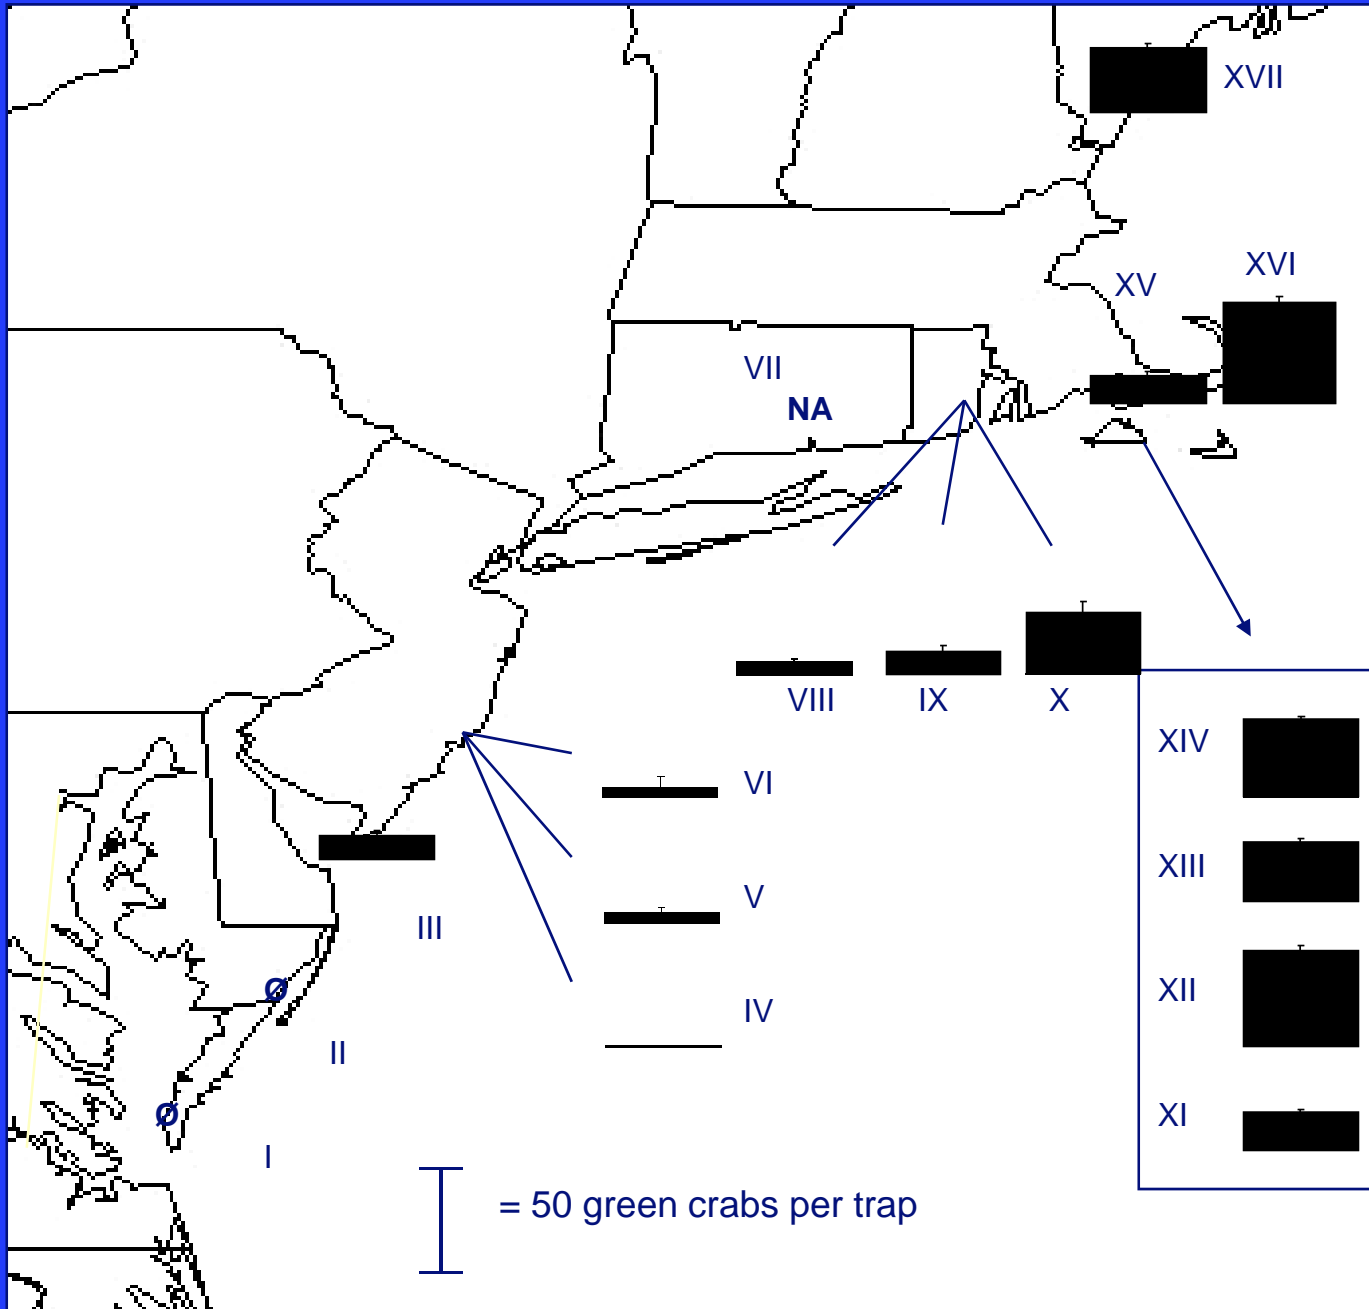

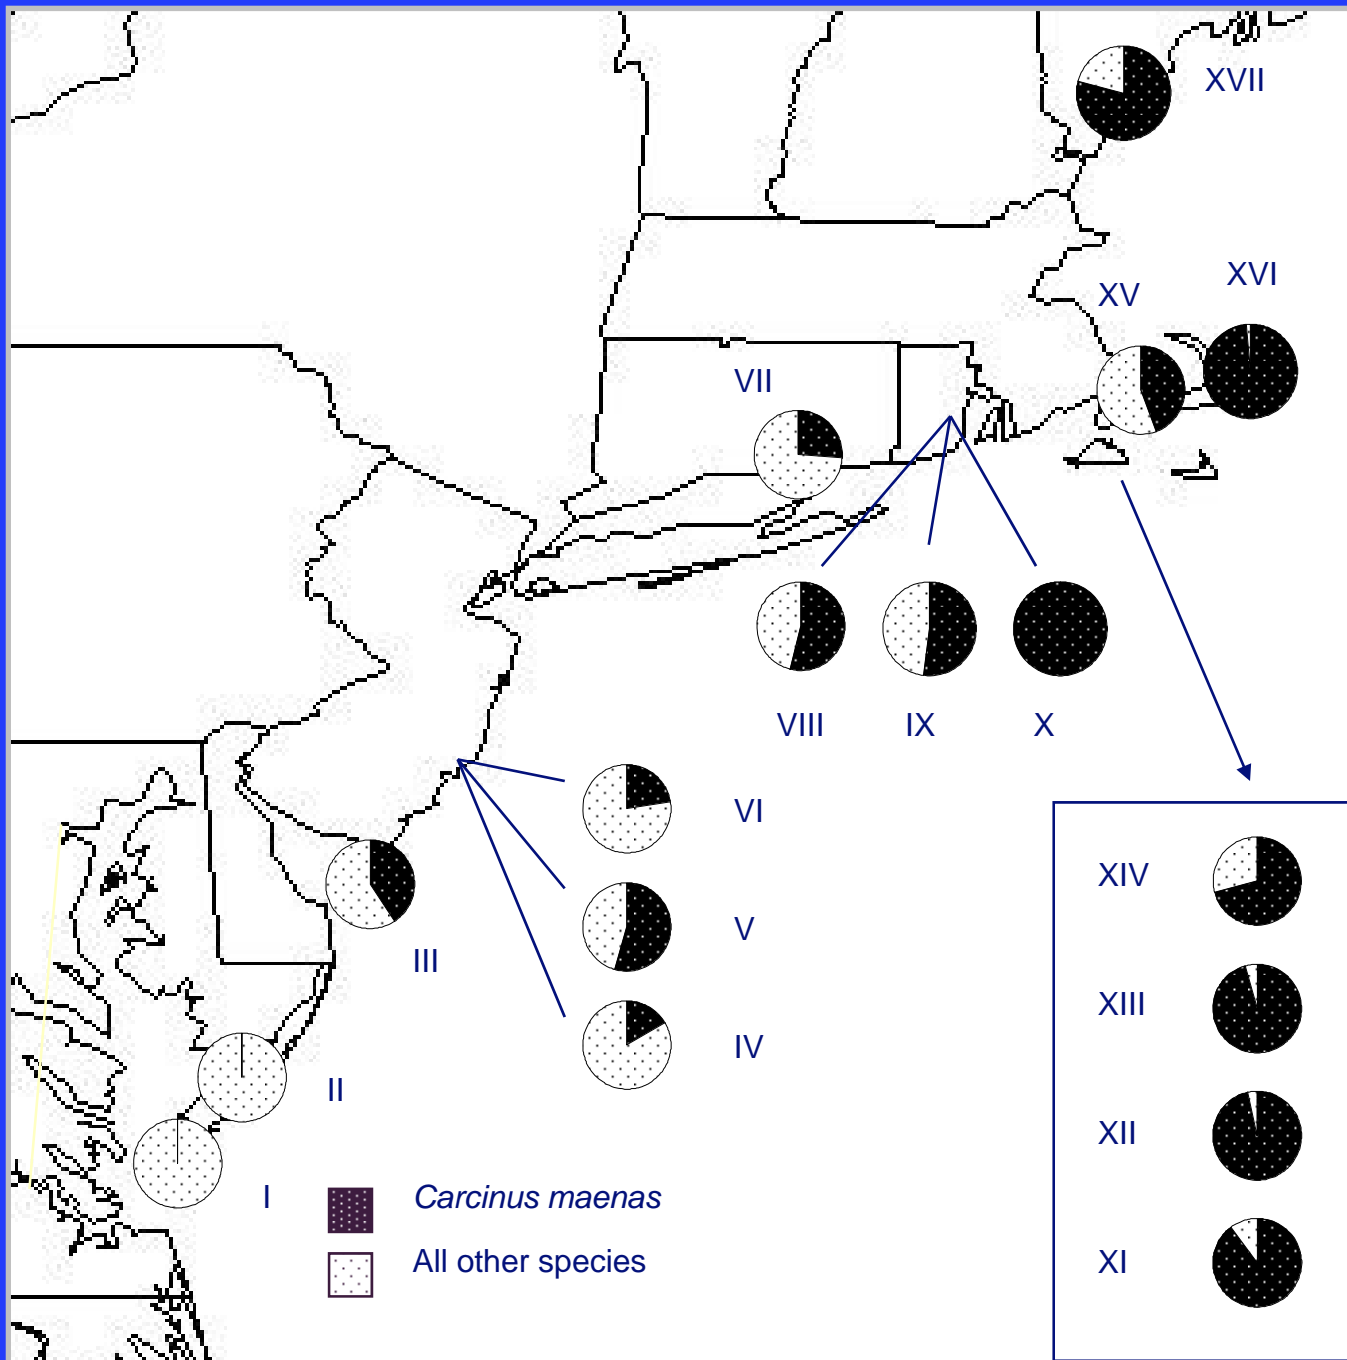

Negative Correlation between Green Crab Abundance and Seed Survival

Multi-Coastal Questions

- **What Limits Geographic Distribution?**
- **What Controls Local Abundance (and impacts)?**
- **What Limits Habitat Utilization?**
